NUMBER 10

FIFTH HALLOWEEN JAMBOREE TO BE STAGED OCT. 31

Several Hundred Children Will Enjoy Parade and Theatre Party

Antioch's fifth annual Halloween jamboree for children of the township schools, to be held Monday evening, Oct. 31, is expected to be the largest and most colorful one that has as yet taken place.

Several hundred youngsters, from pre-school age through the eighth grade, will assemble for the grand costume parade at 6 o'clock.

The parade will start from the Antioch graded school. The line of march will lead down Main street to the Antioch theatre, where everyone who is in costume will be admitted free of charge to a showing of "Lucky Star," featuring Sonja Henie.

Offer Prizes

Prizes will be awarded for the best costumes worn by boys and girls in each school grade.

These are being donated by the Antioch Lions club, which is joining in sponsoring the event for the first time. In other years the schools, the Antioch News and the Antioch theatre, in co-operation with merchants of the town, were the sponsors. This year their efforts at providing happy, wholesome entertainment for the children are being further aided by the civic-minded members of the Lions club.

R. E. Clabaugh, principal of the Antioch Graded school, will have charge of the line of march. The graded school is expected to contribute about 200 children to the parade. Invitations have been sent to all of the schools in the township and at least an additional 200 are expected from them. Pre-school youngsters will help to swell the total.

Fred Swanson, owner of the Antioch theatre, is arranging for the movie to be shown at the big "theatre party."

Gains in Interest

The "Jamboree" was first planned five years ago with the aim of providing suitable entertainment for the children in place of vandalism.

It has proved so successful that it has been repeated from year to year, gaining increased interest each time.

FOX LAKE MAN FALLS FROM BOAT, DROWNS

Henry Mogenson Loses Life in Accident at Mincola Bay Tuesday

Henry Mogenson, 36, who was employed on the property of Mrs. Emma Howard at Mincola Bay, Fox Lake, lost his life when he fell from a rowboat alongside the pier at the Howard cottage Tuesday.

Mogenson had been at work removing a bog that had grown alongside the pier. He had already sawed part of it away and moved it in the boat to the channel, and had returned for another part of it.

He was apparently about to drag the second part into the boat when he lost his balance and fell into the water.

A launch owner nearby heard the splash, and rushed to the scene when he did not see Mogenson rise. When he found no trace of the body, he notified others. Supervisor Frank Stanton of Grant township and volunteers conducted a search which, up to Wednesday night, was still unsuccessful.

Mogenson, who came to Fox Lake from Wisconsin, had been employed on the Howard property for the past five years.

Murder and Suicide Is Verdict in LeVoy Case

A verdict that Scott LeVoy, Millburn, shot and killed his daughter-in-law, Mrs. May LeVoy, and then ended his own life was returned by a coroner's jury late Friday at Gurnee.

The bodies were found by the dead man's son, James LeVoy, when he returned to the house from doing chores on their farm early on Tuesday morning, Sept. 13.

The elder LeVoy was believed to have been upset by Mrs. LeVoy's plans to leave the farm and her husband.

Miss Phyllis Mount, who is attending Beloit College, spent the weekend with her parents here, Mr. and Mrs. E. F. Mount.

Committeemen Plan Big G. O. P. Rally

A big Republican rally and roundup of candidates will be held here at Danish hall on the night of Saturday, October 29, Committeemen C. K. Anderson and James Stearns of Antioch precincts 1 and 2, have announced, and under whose joint sponsorship the event will be held. The festivities will start at 8 o'clock.

This will be perhaps the last big rally to be staged by the Republicans in this locality and they are planning to make an event of it. There will be good music for free dancing and refreshments will be served. All county Republican candidates will be present, and also Congressman Ralph E. Church is expected to appear here during the evening.

"THE CIRCUS" IS COMING TO TOWN OCTOBER 27 - 28

Junior Class Will Present Thrilling Comedy-Drama with Double Cast

Two casts of players will be used in putting on the Junior class play, "The Circus Is Coming to Town," Thursday and Friday evenings, Oct. 27 and 28, in the Antioch High school auditorium.

The performance will open at 8 o'clock.

Seen in the cast on the two nights will be the following:

The Performers

Elleneen, a young equestrienne, owner of the Rodolph circus—Mildred Van Patten, Marjorie Doolittle, Madame Rodolph, "Granny," her grandmother and adviser—Jean Perry, Shirley Hennings.

Sormol, an old clown, lgr adviser—Gordon Zink, Ray Campbell.

Pat Kersey, a college boy with a circus complex—Bob Hawkins, Bill Ciska.

Les, a young gypsy, Dan Palaske, Dan Palaske.

Cerule, the elephant boss, an old man of Italian birth—Paul Sterbenz, Marvin Heath.

Walters, a young trainer of truck horses—Ray Pennenia, John Blackman.

Cora Lawrence, a young society girl—Betty Hauke, Lucille Waters.

Marie Wells, her friend—Louise Mueller, Helen Horton.

Linafe, leader of the gypsies—Ray Wells, Gordon Knott.

Natalie, a gypsy girl—Irene Chinn, Barbara Buchta.

Enamore, another gypsy girl—Leona Hostetter, Buddie Freund.

The audience also hears from "Baby Sue," the "circus baby."

Animals that figure in the story are Josie, an elephant; Zizzi, a tiger; Dola, Strut and Shick, brown bears, and Strawberry, Elleneen's horse.

SONS OF LEGION IN LAKE COUNTY UNIT

Name William Phillips of Antioch Captain; Five Squadrons Included

William Phillips of Antioch was named captain of the newly formed Lake county unit, Sons of the American Legion, at an organization meeting held in Waukegan Friday.

The installation of officers will take place in the Waukegan American Legion home Friday evening, Oct. 28.

Five local squadrons are included in the county unit. They are those of Antioch, Waukegan, Lake Forest and North Chicago, which have already been organized, and that of Fox Lake, which is being organized at the present time.

Twenty delegates from the local groups attended the meeting last Friday. Legionnaire George Groat presided.

Lake County Art Group Will Sponsor Exhibition

Charles O. Longabaugh of Grayslake will conduct weekly gallery talks by prominent artists at the Lake County Art League's fall exhibit, Oct. 23 to Nov. 19, at the public library in Waukegan.

A reception in the library Sunday afternoon will open the exhibit.

The league will also sponsor an exhibit of 30 paintings at the Warren Township High school, Nov. 16 and 17.

BUILDING IN SUDDEN GAIN FOR OCTOBER

New Store Building Is Being Erected; Other Work in Progress

Building activities in Antioch have shown a sudden increase in October.

Excavation for a two-story brick building has been started on the vacant Morley lot just north of King's Drug store on Main street. Mr. and Mrs. Clarence E. Howard, Camp Lake, have purchased the lot and are putting up the building, which will be one-story in height.

One of the store spaces they plan to use for a high class lunch room and delicatessen, and they will rent the other for business purposes. Cerny of Chicago is the architect.

New Residences

Robert King is constructing a new residence on North Main street, and Swan Christensen, retired farmer, who for some time lived in Antioch, but has more recently resided in Milburn, is building a new home on a corner of his farm property three miles east of Antioch, on the Pikeville road.

Permits for alterations and repairs have been issued to Glen Waller, Virgil Felter and Robert Webb.

Alter-Packing Plant

Extensive alterations are being made by the Antioch Packing company on its plant just outside the north edge of the village.

The Ellis Store home, for which a permit was issued earlier in the year, is now under construction.

Twenty-one building and alteration permits have been issued so far this year in the village of Antioch, according to Roy Murrie, clerk. Of these, four were for new buildings.

Release 40,000 Fish at Channel Lake Sunday

Forty thousand small and large-mouth bass were planted in Channel lake Sunday morning, with Ed Sorenson, Russ Smith, William Knovik and Nat Rosasco assisting the hatchery official, McLanna. It is estimated that at least 95 per cent of the fish will survive to provide good sport for lakes region anglers.

Twenty-seven cans of mixed fish were brought by the truck for Bert Roberts to release at his place on the north-west shore of Lake Marie.

Roberts sends in a requisition for fish each year, and reports that the location seems to be an ideal one for releasing the snail fry.

To Stage Wrestling Bouts for Charity

Word has been sent by the City Club of Waukegan to sports-minded residents of the Antioch region that an all-star heavyweight wrestling card featuring professional matmen of national prominence will be presented in the Waukegan High School gymnasium Friday night, Oct. 28.

All proceeds over the expenses will be used for charitable purposes, it is announced.

The club, which is a group of young Waukegan business and professional men, has named Gerald Snyder, Howard Guthrie, Percy Gustafson, Elwin Whitman and Eino Macklin on the promotional committee, and has secured the services of Les White, Libertyville, to assist them.

Although no matches have definitely been made as yet, additional interest is lent to the affair by the announcement that Jim McMillen, well known wrestler who claims Antioch as his home town, has already offered his services. Rusty Silverstein, Illinois state champion, Friedrich von Schacht, giant German ace, and Lord Patrick Lansdowne, colorful English star, are others mentioned as likely possibilities.

Autos Collide

Cars driven by Gordon Sheldon, Lake Villa, and William A. Krebs, Chicago, collided at the intersection of Route 54 and Lake Street in Grayslake last Wednesday evening. No one was injured.

Commandery Celebrates

Eighteen nearby commanderies were represented at a tenth anniversary celebration held by the Burlington, Wis., Knights Templar Saturday evening with a banquet for 350 persons in the Masonic temple.

Mrs. William Rosing is entertaining the members of her bridge club at her home this afternoon.

Lions Club to Hear Speaker Next Mon.

A dinner and speaker will feature the meeting to be held by the Lions club next Monday evening. Irving Elms and Frank Hunt are in charge of the general arrangements for the meeting and H. B. Gaston for the program.

This is the first year that the club has co-operated officially as an organization, and as a part of its contribution it is donating the prizes for the best costumes worn by the children in the parade.

HUNTERS ARRESTED FOR TRESPASSING

The opening of the duck hunting season here last Saturday was accompanied by the usual number of violations leading to the arrest of more than 20 men charged with trespassing or other infractions. Many of the cases were brought before Justice of the Peace John Brogan Saturday and Sunday by Deputy Sheriff Willis Shannon of Channel Lake.

Three of the men, Bernard Liotta, Olaf Olson and John Syews, all of Chicago, brought in on a trespassing charge, were taken to the court of Justice Raymond Sorenson on a charge of venue from Brogan's court. Upon examination of the charges, Justice Sorenson found the men not guilty and their cases were dismissed.

FINE SHOWING IN HEALTH CHECK-UP

Twenty-one Pupils Have Perfect Health; Few Need Attention

An excellent general health condition among children of the Antioch Graded school was revealed by physical examinations held there this week and last week.

Of the 92 examined, 21 were considered by the physicians in charge to be in "perfect" health. With the exception of a few cases where attention is needed, the entire showing was a remarkably fine one, it was stated.

Dr. Louis F. Waldman, Waukegan, eye, ear, nose and throat specialist, and Dr. R. D. Williams, school physician, were assisted by the Lake county school nurse, Miss Elaine Warton, in conducting the examinations.

Will Write History of N. Illinois Lakes Region

A history of the Lakes region in Northern Illinois is the project being undertaken by Jack Hoag, editor of the Chicago Evening Post for 14 years and now connected with the Federal Writers Project. Mr. Hoag and his family are planning to spend the winter in McHenry, Ill., while he is working on the history.

Mrs. James Stearns spent Saturday in Waukegan.

RECREATIONAL ASSOCIATION IS ORGANIZED HERE

Committee Is Elected at 1st Meeting and Community Program Planned

The Antioch Recreation association was organized at a meeting of interested members of the community last evening at the Graded school, and a committee to direct its activities was chosen.

The committee consists of F. O. Hawkins, Dr. E. J. Hays, Miss Cornelia Roberts, Robert Wilton and R. E. Clabaugh. It is in turn empowered by the by-laws and constitution of the association to elect its own chairman, secretary and treasurer.

Craft Classes

The purpose of the association is to sponsor a community-wide recreation program, beginning gradually with craft classes and similar activities, and expanding its scope according to circumstances. Membership is open to all who are interested. The only requirement is attendance at the meetings. These will consist of one annual business meeting, to be held the third week in September, and special meetings which will be called by the committee.

The association plans to co-operate with federal recreation projects, along the same lines as recreation organizations in nearby cities.

A meeting to elect officers and map out the program will be held by the newly chosen committee sometime within the next few days.

LAKE RESIDENTS REPAIR OWN BRIDGE

Private Donations Provide Funds for Project at Bluff Lake

Denied the benefit of state or county funds for the repair of the bridge and approaches on Highwoods Drive, which was damaged by floods and made impassable over a year ago, residents and property owners in that vicinity have raised through donations of private citizens a fund of \$750 for repairs to the bridge and roadway.

R. G. Seelhoff, who has charge of the fund and is directing the work, a few days ago received permission of F. Linden Smith, Director of Public Works and Buildings, and Carter Jenkins, Chief Engineer of the Waterways department, to proceed with the work in accordance with the engineer's plans.

The roadway and bridge is located across the channel connecting Pettit lake and Bluff Lake and accommodates a great number of summer visitors and permanent residents in the section who have suffered great inconvenience since the road was made impassable by the high water in June last year. Since the road is not a public thoroughfare there was no other way to finance the repair except through private subscriptions.

Seelhoff reports a liberal response in the matter of raising the \$750—the amount required for the work, according to the engineer's estimate.

Civic Club Enjoys Travel Talk, Movies

Motion pictures which he took on a European trip, including visits to Czechoslovakia, France, Italy and England, were shown by Dr. L. J. McClure of Gurnee in conjunction with the talk he gave at a meeting of the Civic club Monday evening in the Methodist church dining room.

A great deal of the news coming from abroad is not exaggerated at all, from what he could observe while there, Dr. McClure told his audience. On the other hand, there is a great deal going on there which people in the United States do not hear about because of European censorship restrictions, he commented.

About 45 members of the club were present. The dinner was served by women of the Methodist church.

Townsend Rally Will Be Held Wednesday, Oct. 26

A national speaker will be heard at a rally to be held by the Townsend club Wednesday evening, Oct. 26, at 8:30 o'clock in the Danish hall. Doughnuts and coffee will be served after the program, which is to be open to the public.

Outlaw Them All

Representative Dies proposes a law "outlawing any organization which is under the control of a foreign government." This seems to be a step in the right direction because it will bring a large number of suspicious and fairly innocent societies under a closer study, and determine whether they are merely meeting for the purpose of honoring the memories of the old home town abroad, or looking for advantages for the fatherlands in a way that is detrimental to the interests of the United States as their adopted country.

While this is all going on the fact remains that communism and fascism are expanding beyond limits, in openly opposing American principles of government. It is time to get out the swatter, and swat a lot of these fellows.

Keep Up the Good Work

Pessimists who have doubted that the automobile accident rate can be reduced, have been happily proven wrong this year, for the rate has gone down sharply since 1937.

Apparently the public ear has finally been opened to the teachings of the safety experts. States and communities have carried on more and better prevention campaigns than in the past. The insurance industry has assumed leadership in combatting the highway slaughter and has issued invaluable books to be used in schools, by individuals and by civic authorities. In some areas there has been noticeable improvement in traffic law enforcement, and the arrest and punishment of offenders. Lastly, a start has been made in various states to make accidents impossible by constructing modern highways, without intersections, and with separated lanes that prevent head-on collisions.

We have learned that safe driving is the product of safe thinking. Relatively few drivers are congenitally reckless—and the only cure for this minority is revocation of licenses. Most drivers who cause accidents are simply thoughtless and ignorant. They do not realize the chances they take until a calamity occurs, or the messages of the workers in the accident prevention field reach them and awaken them to their errors.

Now the country must fight all the harder to keep

the accident rate down—and to reduce it further. A good start has been made. And the interest and cooperation of everyone is needed if this good record is to be continued.

IOU — \$43,000,000,000

A few years ago there was a tremendous amount of public concern over the fact that the national debt had passed the \$25,000,000,000 point. Today it is forecast that the debt will shortly touch \$43,000,000,000 — yet public lethargy and indifference could hardly be greater. This gigantic mortgage against the earnings and property of all individuals and all business no longer makes the headlines.

Such indifference is one of the most dangerous phases of the whole problem of debt and taxation. We will never reduce the debt, even as we never will reduce or equalize taxation, without an awakened, aggressive public demand to compel a change. The politicians won't do it for us—they will simply inflate it to even higher levels. And that means more taxes and higher taxes, a steadily lessened national income that can be spent for productive purposes and more hard times in the future.

Wake up to the fact that the public debt is your debt. It is inescapably related to your job, your savings, your opportunities, your security. When all of us know that, Washington and the state capitals will hear a concerted public demand for a drastic change in present suicidal fiscal policies of unbalanced budgets and wasteful, extravagant and uncalled for public expenditures.

Who Won Peace?

We were all familiar with the stock joke of soldiers coming back from the World War and being greeted and toasted by their friends and well-wishers as "the man who won the war."

Strangely enough there is considerable debate among leading commentators who write from Washington over the claim that President Roosevelt brought about the peace conference in Munich.

Of course the fact remains that the President made a powerful appeal to the leaders of European Governments. That was the obvious duty of the President, the head of the greatest neutral government in the world. For purposes of their own Chamberlain, Daladier, Mussolini and Hitler were glad to associate the American Government with the drive for peace, and in appreciation thereof they expressed tributes to Mr. Roosevelt's intervention. Of course they might have gone ahead just as they did on their own initiative if no one had told them to be good, because as a matter of fact they were all afraid to face the slaughter of modern warfare.

Hail all the men who helped to make peace.

TREVOR

Miss Ethel Collins, Kenosha, spent the past week with her uncle and aunt, Mr. and Mrs. Louis Collins.

Mrs. A. C. Stoxen and daughter, Mrs. Leslie Dix, Salem, called on Mrs. Luanah Patrick, Friday.

Mr. and Mrs. Charles Sibley, Antioch, called at the Sarah Patrick home Sunday afternoon.

William Fox of Salem was a visitor at school on Thursday.

Kenosha visitors on Tuesday were Mrs. Jessie Allen, Mrs. Charles Oetting, Mrs. Alfred Dahl and Mr. and Mrs. A. J. Baethke.

Mrs. Nick Hilbert entertained her card club of three tables at her home on Wednesday afternoon.

Tuesday visitors at the Trevor school were: Frieda Hanneman, Kenosha county supervising teacher, and Louis Oetting.

Raymond Dole, day agent at the Soo Line depot, had the misfortune to get three of his fingers caught in the electric pump which pumps water for the trains, bruising them badly.

Mrs. Clifford Thompson, daughter, Nada, and son, Dean, spent Wednesday with her cousin, Mrs. William Boersma.

Mrs. Louis Andre, Kenosha, visited Mrs. Louis Collins on Wednesday.

The Trevor school children observed Columbus Day with a program and half holiday.

Mr. and Mrs. Elmer Elfers and children, Kenosha, spent Saturday night at the Elmer Fleming home.

Mr. and Mrs. Dave Elfers, daughter, Ruth, son, Billy, Mr. and Mrs. Elmer Fleming and children in Richmond Sunday, where they assisted William Elfers celebrate his eighty-first birthday.

The Novotny families, Chicago, spent Sunday at their cottage in Trevor.

Mr. and Mrs. George Hallet, daughter, Marguerite, and mother, Mrs. Helen Hallett, Kenosha, were Sunday afternoon callers at the Joseph Smith home.

Frederick Schaper, Melrose Park, called on his uncle and aunt, Mr. and Mrs. A. J. Baethke, Sunday. His

father, Fred Schaper, Hinsdale, Ill., returned home with him after spending the past week with his brother-in-law and sister, Mr. and Mrs. Baethke.

Mr. and Mrs. Elmer Fleming and Mrs. Dave Elfers attended a card party

at the Fox River School house Friday evening. Mr. and Mrs. Theron Hollister entertained a large number of relatives on Sunday in honor of their daughter, Charlotte's birthday.

FARM TOPICS

MILK IS FAVORED AS POULTRY FEED

Stimulates Birds' Appetites During Hot Weather.

By Dr. W. C. Thompson, Poultry Husbandman, Rutgers University, WNO Service.

Because hot weather tends to lower feed consumption of poultry flocks, resulting in lower egg production, anything which stimulates the appetites of birds is of value in summer. For this purpose there is probably nothing better than milk.

Milk can be fed in the liquid form as either buttermilk or skim milk for drinking purposes when available in sufficient amounts. One hundred birds will consume between 35 and 40 pounds of liquid milk daily if they do not have water available, and a large quantity is needed when milk is used in this form. Ordinarily, it is not feasible to give birds milk only and, when a limited supply is available, it can be given the birds for a portion of the day, with water provided after the milk has been consumed.

The semi-solid or paste form of milk is very satisfactory for summer feeding, as it is palatable and the birds will consume it in rather large quantities, even under adverse weather conditions. When first used, it should not be fed to the extent of more than about 2 pounds for each 100 birds daily, but this can be increased gradually until 4 or 5 pounds can be fed without any detrimental results.

Milk in paste form is probably one of the best summer feeds for poultry. It is even somewhat superior to dried milk, unless the latter is used in a moist mash. Increasing the dry milk content of a dry mash does not usually produce any beneficial effects, because the birds do not increase their dry mash consumption during the summer, with the result that the increased milk content is of very little benefit. As a matter of fact, dry mash consumption is noticeably decreased during spells of hot weather.

The use of an increased quantity of milk in the proper form should be continued until late September, or until such time as more satisfactory weather conditions prevail.

Flies Not All to Blame For Drop in Milk Flow
Don't blame the flies for the drop

in summer milk production, says R. R. Searles, extension dairyman, University Farm, St. Paul. Your feeding practices may need overhauling.

Summer is the low-cost period for the dairyman, and if cows go down in production when pastures begin to get short, he is losing an opportunity for profit.

The ripe mature grasses have about the feeding value of wild hay, and the dairyman can supplement these through a variety of ways. Second crop hay can be pastured, with some care to prevent loss from blood when pasturing legumes.

Then, points out Searles, there is always regular barn feeding, which is practiced by the good dairyman every summer. Alfalfa or clover hay, if available, is cheaper than grain. Searles explains that the best dairyman of the state feeds hay right through the summer, even when grass is plentiful. Feed what the cows will eat twice a day, he says. For the fresh, high-producing cows, a few pounds of grain will be needed, however.

Where hay is not available, about a half winter ration of grain will give excellent results. If there is a fair supply of grass, the ration can be any one of the farm grains available—corn, oats or barley. But where there is very little grass, the ration should be supplemented with its regular high protein feed, such as linseed oil meal, corn gluten meal, soybean meal, or cotton seed meal, up to 10 or 20 per cent of the grain mixture.

Agricultural Notes

There are 10 million acres of land under irrigation in the West.

New York and Wisconsin are the principal cheese-making states.

Bombes will grow in the United States where cotton is harvested.

Moisture in the place where eggs are stored helps to maintain their quality.

Live stock and fires are the two most important factors in preventing the improvement of farm woodlots.

About 10 distinct varieties of cheese are on the market today.

Wheat raised in Argentina in the 1937-38 season weighed nearly 6,000,000 tons.

Supplemental irrigation is practiced on nearly 1,000,000 acres of land east of the 100th meridian.

The Iowa corn crop has had an on-the-farm value of more than \$200,000,000 in each of eighteen years since 1912.

My Neighbor Says:

To keep icing from running off eaves, try sprinkling the eave with cornstarch before icing.

A teaspoon of granulated sugar added to the water in which turnips are boiled removes the strong turnip taste to which some people object.

Blanc mange may be easily removed from a mold if a cloth is dipped in hot water, wrung until it will not drip, and wrapped around mold. Turn bottom of mold upward on a flat dish and shake gently to dislodge contents.

The amount of pattern already in the room should determine whether plain or figured material should be used for draperies and furniture. When wallpaper and rugs are figured, the slip covers should be plain. Generally there is more danger of having too much pattern in a room than not having enough.

Chimneys should be inspected before the furnace is started in the fall. One inspection method used quite effectively is that of getting a good smoky fire going and then clapping a stopper over the top of the chimney. If there are breaks anywhere in the chimney the smoke will be seen seeping through.

© Associated Newspapers.—WNO Service.

Queer Habits of Fish
The Nile catfish adapts the strange habit of swimming on its back and as a consequence its stomach is colored darker than its back, whereas in most fish the back is always darker than the underpart. Another strange swimmer is the shrimp-fish, or needle-fish, of the Indian ocean. These little eel-like fish live together in small shoals of five or six and they swim in a vertical position, "up" upwards. They can, however, swim in the ordinary horizontal position and have even been seen swimming about in a vertical position with their queer-looking tail end upwards.

Greatest Master of Counterpoint
The German composer Johann Sebastian Bach (1685-1750) was the world's greatest master of the counterpoint, and according to a writer in Collier's Weekly, the first to use the thumb and little finger on the pianoforte and, most important of all, was the most original thinker in the history of music, having inspired such later geniuses as Mozart, Beethoven, Mendelssohn, Chopin, Schumann, Liszt, Wagner and Rubinstein.

Swastika is of Ancient Origin
The swastika is of extreme antiquity, and one of the 65 mystic signs found in the footprint of the Buddha.

Carry Young on Back
The large mule swan will carry her young on her back. This bird is very jealous of her territory, and it is her custom in many districts to get her young away from the lake on which they were born. She will carry them long distances while swimming on a river or lake, but when she goes overland they usually toddle behind her in single file. Baby opossums are carried on the back of their mother in an ingenious manner. She bends her tail over her back, and the eight or ten youngsters curl their tails round that of their mother; they have to hold on tightly, for she will travel quickly through the forest.

News
ofANTIOCH and
VicinityNorth Prairie Couple
In 51st Anniversary

Mr. and Mrs. Grant Bennett, North Prairie, were honored at a reception held by the entire community last Wednesday night at the North Prairie church on their fifty-first wedding anniversary. Both Mr. and Mrs. Bennett are life-long residents of Lake County.

Their sons and daughters include Wilbur Bennett, Antioch; Sidney and Burton Bennett, Waukegan; Morris Bennett, North Prairie; Mrs. Elizabeth Bull, San Diego, Calif.; and Harrison Bennett, Port Angeles, Wash. Distance prevented west coast members of the family from attending, but all of the others were present.

The celebration was originally planned for the couple's golden wedding anniversary last year, but was postponed because of Mrs. Bennett's illness at that time.

ROYAL NEIGHBORS WILL
ENJOY HALLOWEEN PARTY
AT MEETING NEXT TUESDAY

A "dress-up" Halloween party will be enjoyed by the members of the Royal Neighbor lodge at their meeting next Tuesday evening at 8 o'clock in the Danish hall.

Twenty-five members of the Antioch lodge attended the annual Lake county convention held at Grayslake Wednesday.

A memorial service was conducted by the Antioch organization as a part of the program at the conference, which was attended by Mrs. Margaret Gorman, a member of the board of supreme managers, at Rock Island, and Mrs. Anna Cooley, state supervisor.

ATTEND SAN CARLO OPERA
PRESENTATION OF "FAUST"

Making up a party from here which attended the San Carlo Opera company's production of "Faust" Tuesday evening in Chicago were Mr. and Mrs. H. S. Roberts, Mrs. Olson and the Misses Fledderjohn, Olson, Slocum, Putz, Cornelia Roberts, Betty Lu Williams, Florence Peterson, Yvonne Jensen, Doris Klass, Irene Pachay, Ruth Glenn, Shirley Hennings, Lorraine Laursen, Eleanor White, Mary Osmond, Helene Henry, Marjorie Ferris and Dale Smith; Messrs. Robert White, Parker Hazen and Robert Dressel.

SEVENTH AND EIGHTH
GRADERS HOLD PICNIC

A picnic outing at Petrifying Springs park, Kenosha county, was enjoyed yesterday afternoon by pupils of the seventh and eighth grades at the Antioch school. Accompanied by their principal, R. E. Clabaugh, and members of the teaching staff, they left for the picnic grounds at about 3 o'clock, by bus. Games and an outdoor supper were held at the park, and the return trip was made at about 8 o'clock.

FRIENDSHIP CIRCLE WILL
MEET FOURTH WEDNESDAY

The meeting date of Friendship circle is being changed from the third to the fourth Wednesday of each month, it was announced today.

The next meeting will be at the home of Mrs. Leona Petersen, Spafford street, on Wednesday, Oct. 26.

COUNTY NYA DIRECTOR
IS WED IN WAUKEGAN

Miss Margaret Benson, daughter of Mrs. Alice Merchant, Waukegan, and Lee C. Savage, Jr., son of Mr. and Mrs. L. C. Savage, Oak Park, were united in marriage Friday morning at the First Congregational church in Grayslake. Mr. Savage is the NYA director for Lake county.

Mrs. Joseph Lyons, Round Lake, is at St. Therese's hospital in Waukegan.

Miss Virginia Tidmarsh, daughter of Mrs. Anna Tidmarsh, 481 Lake street, returned to her home Sunday from St. Therese's hospital in Waukegan, where she underwent an operation for the removal of an impacted wisdom tooth.

Mrs. Thomas F. Hunt left Monday for Dallas, Texas, where she will spend two weeks with her sister, Mrs. James Hunt.

Mr. and Mrs. J. S. Reesman of Grass Lake, and their sister, Miss Emily Rose Haunigs left Tuesday morning for their winter home in Foley, Alabama.

Mrs. Emily Van Patten spent Saturday in Chicago the guest of relatives. Miss Olga Longren of Chicago was a guest of Mr. and Mrs. Henry Grimm on Sunday.

Miss Genevieve Mahlum, who attends the University of Chicago, spent the week-end at her home here at Indian Point.

The Antioch Parent Teacher association is sponsoring a card party to be held at the Graded school Monday evening. It will be open to the public.

A reading room is maintained at the above address and is open Wednesday from 2 to 4 and 7 to 8 p. m., and on Saturday afternoon from 2 to 4.

CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 10.

The Golden Text was, "God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that whether we wake or sleep, we should live together with him" (1 Thess. 5:9, 10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth! Thy watchmen shall lift up the voice; with the voice together shall they sing: for they shall see eye to eye, when the Lord shall bring again Zion" (Isaiah 52:7, 8).

The Lesson-Sermon also included the following passages from the Christian Science text book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage. His mission was both individual and collective. He did life's work aright not only in justice to himself, but in mercy to mortals—to show them how to do theirs, but not to do it for them nor to relieve them of a single responsibility" (p. 18).

St. Ignatius' Episcopal Church

The Rev. J. E. Charles

19th Sunday after Trinity Oct. 23.

7:30 A. M. Holy Communion

10:00 A. M. Church School

11:00 A. M. Morning Prayer and Sermon.

Archdeacon Quigg will be with us next Sunday morning. All communicants should make a special effort to be present. The Archdeacon will bring a message of vital interest to all our people.

We cordially invite everyone to our services.

METHODISTS HOLD FIRST
COMMUNION SERVICE

The service at the Antioch Methodist Church at eleven o'clock next Sunday morning should be of unusual interest to all. Members and friends are urged to be present and participate in the first Communion Service of the year. It is an opportunity to enter into the deepest and most significant experience of Christ Himself. Come with us and, together, let us enter into the Holy of Holies.

An opportunity will be given at this service to unite with us in church fellowship. If you have no church home in Antioch why not find one with us? We need you and you need us.

Mr. and Mrs. Hugh Galbraith and

daughter, Sandra, of Waukegan were Sunday dinner guests of Mr. and Mrs. James Stearns.

Mr. and Mrs. Lee Strang are spending a few days at Bellevue, Iowa. They were called there on account of the serious illness of Mrs. Strang's aunt.

Mrs. H. J. Vos and children expect to leave Antioch about the first of November for Cedar Rapids, Iowa, where they will make their future home.

Dr. and Mrs. Edwin Capone of Kankakee, Ill., where the doctor is on the staff of the state hospital, visited Mrs. Mollie Somerville last week-end.

Mrs. Arthur Rosenfelt entertained the members of her bridge club at her home Tuesday afternoon. Awards for the play went to Mrs. Eva Kaye and Mrs. Robert Wilton.

West McHenry Couple
Have Golden Wedding

Their fiftieth wedding anniversary was celebrated by Mr. and Mrs. Henry Heimer, West McHenry, with a family reunion at which Mr. and Mrs. Karl Bradley and daughter, Alice, and Mr. and Mrs. Travis Jordan of Crystal Lake were in attendance. Mr. and Mrs. Heimer were married on Oct. 7, 1888.

Mr. and Mrs. Robert Hughes, Ottawa, and Miss Dorothy Hughes, Bloomington, spent Sunday at the home of their parents, Mr. and Mrs. Carl D. Hughes, Mr. and Mrs. Hughes also had as their dinner guests on Sunday Mr. and Mrs. F. B. Kennedy, Waukegan, and Mr. and Mrs. Harold Kennedy and daughter, Chicago.

Mr. and Mrs. Walter I. Scott left early this morning on a week's trip to Rollins, Wyoming, where they will visit friends.

Births

To Mr. and Mrs. Richard Vanderpool, Grayslake, a son, at St. Therese's hospital in Waukegan, Oct. 13.

To Mr. and Mrs. Harvey Millmore, Grayslake, a son, at St. Therese's hospital in Waukegan, Oct. 13.

Lake County Child Study
Group Series Opens Nov. 3

The Lake County Home bureau will present a special series of lessons on child study. The first group meeting will be held on Thursday afternoon, Nov. 3, from 1:30 to 3:30 o'clock on the second floor of the Village hall in Libertyville. Miss Freda Al Peterson, child study specialist from the Extension department of the University of Illinois, will conduct these meetings. Anyone in the county interested in this work is invited to attend. Further information may be secured from Mrs. Helen Volk, Home Adviser, Grayslake.

Good Judgment, Says Uncle Eben
"Some people," said Uncle Eben, "talk so much they can't hear; de-sef' think, an' maybe dat's whah dey shows good judgment, after all."

Girl Scouts to Have
Halloween Party Oct. 26

At a meeting to be held at the M. M. Stillson home on Spafford avenue Friday afternoon at 4:15 o'clock, members of the Antioch Girl Scout troop will make plans for the Halloween party they will hold on Oct. 26. Four new Scouts have been added to the troop this year. Mrs. H. Ellis is the captain.

Gives Talk on "Remedial
Reading" at Lake Zurich

Miss Cornelia Roberts, faculty member of Antioch Township High school, spoke before a gathering of Lake Zurich and Waukegan teachers Monday evening at Lake Zurich on "Remedial Reading." She told of the progress shown by pupils in the remedial reading project now being carried on at the Antioch high school, and described how the project is being conducted.

Presidents and County Names

Out of 102 counties in Illinois only six are named for presidents of the Nation: Washington, Adams, Jefferson, Madison, Monroe, and Jackson, research workers of the Federal Writers' Project, W. P. A., have noted in compiling a comprehensive guide book to the state. Douglas County, organized in 1839, was named after Stephen A. Douglas, but Lincoln, the most famous name in Illinois history, is not included.

Constitution Developed
With the Greatest Care

In none of the relatively meager records of the Constitutional convention is the literary authorship of any part of the Constitution definitely established, asserts a writer in the Detroit News. The deputies proposed plans until a committee of detail was appointed on July 24, 1787, consisting of John Rutledge of South Carolina, Edmund Randolph of Virginia, Nathaniel Gorham of Massachusetts, Oliver Ellsworth of Connecticut, and James Wilson of Pennsylvania, who on August 6 reported a draft. Debate continued until September 8, when a new committee of style was named to revise the draft. This committee included William S. Johnson of Connecticut, Alexander Hamilton of New York, Gouverneur Morris of Pennsylvania, James Madison of Virginia and Rufus King of Massachusetts, and they reported the draft in approximately its final form on September 12.

The actual literary form is believed to be largely that of Morris, as indicated by the letters and papers of Madison and Morris' claim. However, in reality, it was developed slowly and carefully, with not a piece of material included until it had been shaped and approved. The preamble was written by the committee on style.

Outstanding County 4-H
Members Are Announced

Marian Stahl, Prairie View; Margaret Edwards, Waukegan; Rosemary Dada, Gurnee; Shirley Mills, Libertyville; Marjorie Kane and Marion Gillespie, Mundelein, were named as outstanding club members for Lake county at the 4-H finish-up school held in Grayslake last Wednesday.

Their records will be among those considered for the state honor roll in November.

County project champions for the 4-H in 1938 were Miss Mills, Marjorie Doolittle, Bessie Leng, and Lois Bonner, Lake Villa; Virginia Wallace, Grayslake; Miss Stahl; Nancy Mills, Edith Rapp, Libertyville; Miss Kane and Marian Gillespie, Mundelein, and Miss Dada.

Ask That Wonder Lake
Road off 31 Be Paved

A petition asking that the road leading from Route 31 west through Ringwood to Barnard's Mill be paved has been presented to the McHenry county board of supervisors. The road is used to a large extent by people in the rapidly growing community of Wonder Lake.

MARY McCORMIC HAS OUTSTANDING CAREER

Famous Radio and Opera Star Likes to Sing for Young Folks

A brilliant career in opera and radio, as well as concert work, has been achieved by Mary McCormic, who will sing at Antioch Township High school Tuesday evening, Nov. 1. The girls of the school are sponsoring the concert.

Born in Belleville, Ark., Miss McCormic studied music at Northwestern university. She became a protégé of Mary Garden, who has aided many aspiring young singers to carry out their ambitions.

It was in Miss Garden's presentation of the opera, "Carmen," that Mary McCormic made her debut, singing the role of Michaela.

She has since become one of the best known modern women singers. In 1931 she was married to Prince Sergei Mdivani, from whom she was later divorced.

Besides carrying on her busy career, Miss McCormic endeavors to make her talents available to groups of young people for a comparatively nominal sum, stating that she prefers them to all other audiences, and wishes to encourage their interest in music.

High School Class Officers Elected

Charles Rothers has been chosen president of the senior class, Raymond Baethke of the juniors, Joan Smith of the sophomores and David Dupre of the freshmen at class elections held at Antioch Township High school.

Other officers named are as follows:

Freshmen
Dudley Ward, vice president; Alice Leng, treasurer; secretary to be elected.

Sophomores
Fred Hawkins, vice president; Jeanette Whited, secretary-treasurer.

Juniors
William Ciska, vice president; John Blackman, secretary; Elinor Benning, treasurer.

Seniors
James Maplethorpe, vice president; Janice Kapple, secretary; Arlene Krahn, treasurer.

Group Officers:
Freshman Girls—Juanita Young, president; Marjorie Bright, vice president; Gertrude Horton, secretary; Janet Ellis, treasurer; Hope Zink, student council representative.

Sophomore Girls—Virjean Hook, president; Doris Klass, vice president; Gilda Pierce, treasurer; Mary Kay Linn, secretary; Mary Osmond, student council representative.

Junior Girls—Betty Hanke, president; Lila Dalgard, secretary; Mildred Van Patten, vice president; Lucille Waters, treasurer and student council representative.

Senior Girls—Yvonne Jensen, president; Frances Beimer, secretary; Helen Lubkeman, treasurer; Mildred Horan, student council representative.

Freshman Boys—David Dupre, president; Robert Gross, vice president; William White, secretary-treasurer; Leo Buchta, student council representative.

Sophomore Boys—to be elected.

Junior Boys—William Ciska, president; John Blackman, vice president; Daniel Palaske, secretary-treasurer; Raymond Campbell, student council representative.

Senior Boys—George Bartlett, president; Clifford Schonscheck, secretary-treasurer; Roger Brogan, student council representative.

Bermuda, Discovered in 1515, Old English Colony

Bermuda, only 660 nautical miles from New York, was discovered in 1515 by a Spaniard, Juan de Bermudez, who anchored his ship, La Garza, within gunshot of the more than 180 islands. Historians say that Bermudez may have discovered the islands on a previous visit, for they appear on a map published by Peter Martyr in 1511. Bermudez was carrying home to Spain Gonzales Fernandez d'Olvedo, a distinguished historian, who wrote a brief account of his visit, the earliest known description written of Bermuda.

Admiral Sir George Somers, who was wrecked on the islands with his Sea Venture, landed with 140 men and women on the shores of what is now called St. George's, the first capital of Bermuda. His trials and tribulations went on until he died in 1610. His heart is buried in St. George, but his body was taken back to England.

The history of the colonization of Bermuda includes in its early days—the Virginia company, that figured prominently in the settlement saga of the islands, and in 1782 William Browne of Salem, Mass., arrived to fill the governor's chair for a term which lasted six years.

One of Browne's first acts was to declare the whale fishery free to all. Hitherto whales had been considered "royal fishes" and as fishery could only be conducted under licenses, fees for which were paid to the governor—the people had practically ceased to engage in it.

H. S. to Be Represented at Deans' Meet Oct. 28-9

Miss Cornelia Roberts will represent Antioch Township High school at the nineteenth annual conference of the Illinois Association of Deans of Women, to be held Friday and Saturday, Oct. 28 and 29, at Mount Vernon, Illinois.

The principal speaker at the conference will be Miss Harriet M. Allyn, Dean at Mount Holyoke college and president of the National Association of Deans of Women.

Representatives of leading colleges, high schools and universities throughout the state will attend.

"HIS LATEST AFFAIR" ON STAGE BILL TONITE

Rotnour Players to Present Comedy as Their Second Fall Performance

The Rotnour Players' first presentation of the season, "Fool's Gold," given on the stage of the Crystal theatre last Thursday evening, drew a capacity audience.

An equally enthusiastic reception is expected to greet their second offering, "His Latest Affair," a comedy, which will be put on this evening at 8:15 o'clock.

The company, including several new members, is larger than it was last year and is giving excellent satisfaction. The doors of the theatre will open for tonight's performance at 7:30 o'clock. Merchant tickets entitling the holder to see the play free of charge, upon payment of a small service fee at the box office, are obtainable from Antioch business houses.

Next Thursday evening the company will give its only western play of the season, "The Code of the West," a comedy-drama.

Early Rulers of Sweden

Were of Warlike Nature

Although Finland was conquered and Norway defeated in the Middle ages to make Sweden a mighty kingdom of the North, it was not until the reigns of the Vasa kings that the country became the leading military power of the continent. Through the efforts of Gustavus Adolphus and his immediate predecessor and successors, territories that comprise large parts of the Baltic states, Germany, and Poland were added to Sweden. Swedish armies pushed far into Russia, occupied all of Poland, and marched and counter-marched over Germany.

How warlike were the kings of Sweden in those old days is shown, for example, writes John A. Menaugh in the Chicago Tribune, in the fact that Charles X in his bare five years of rule engaged in no fewer than five wars with the Danes and repeatedly laid siege to Copenhagen. He would have subjugated Denmark then had not the Dutch and the English interfered with his plans. Charles X led other wars as well as those against the Danes, Charles XI and Charles XII also carried on conflicts with the Danes, as well as with other peoples.

It was not until after the final defeat of Charles XII in Russia in 1709 that Sweden as an empire began falling apart. Soon after the death of Charles XII at the siege of Fredriksten in Norway, the Swedish territories on the eastern shore of the Baltic sea were ceded to Russia. Finland, over which the Swedes and the Russians had warred for centuries, was lost to Russia in 1809.

Norway, which was under Swedish domination briefly, early in the fourteenth century and which was acquired from Denmark in 1814 at the time Swedish Pomerania and the Isle of Rugen were ceded to Denmark by Sweden, was made an independent kingdom in 1905.

All Countries Are Drawn Upon for Chemists' Goods

In order to fill the drawers and bottles of an ordinary chemist's shop, there is hardly a country which is not drawn upon for some ingredient or drug.

Cassia oil is made from the seeds of the castor bean, a plant which grows well in any tropical country, but the best oil comes from the plants grown in India.

Aloes, from which aloin is prepared, is the juice squeezed from the thick, prickly leaves of a variety of aloes. The best comes from Arabia, but much is grown for medical purposes in the West Indies. The juice dries into solid blocks, in which state it is imported into this country, says London Answers magazine.

The rhubarb from which pills are made is not that with which we make tarts in the spring. In the trade it is known as Turkey rhubarb, but it is really the root of a plant principally grown in China.

Quinine is the bark of the cinchona-tree, and licorice, much used for coughs and sore throats, is mostly grown in Italy.

First Blood Transfusion

The first blood transfusion in the world was given in 1492 and was unsuccessful, medical records reveal. Three small boys were given a duck each for giving their blood to Pope Innocent VIII.

FARM TOPICS

GIVE FLOCKS BEST HOT WEATHER CARE

Ample Range, Shade, Green Feed Are Important.

By C. F. Perish, Extension Foultryman, North Carolina State College, WNU Service.

Poultry authorities agree that adequate range, shade, and green feed are three essentials for well-managed flocks during the hot summer months.

When growers are ready to market their birds, those who have been careful to observe these essentials will find they have been well paid for their efforts.

Where home-mixed rations for pullets are used, the following growing mash is recommended: 35 pounds No. 2 yellow corn meal, 20 pounds standard wheat middlings, 20 pounds No. 2 heavy oats finely pulverized, 12 pounds standard wheat bran, 4 pounds fish meal (55 per cent protein), 2 pounds meat meal (55 per cent protein), 2 pounds dried skim milk, 2 pounds ground limestone or oyster shell, 2 pounds bone meal, and one pound lardized table salt.

Farmers having an adequate supply of milk may omit the dried milk recommended in the above ration. Because it is a valuable food, milk should be given to poultry in some form.

However, when fed as a liquid, it should be placed in clean, easily accessible containers. Surplus milk should not be allowed to remain in the containers since it attracts flies.

Plenty of water should be available at all times. If possible, it should be kept in a shady place.

Along with the mash, birds should have all the grain they will eat each morning.

'Blind Staggers' Among Summer Horse Ailments

Hot weather is the time when the horse disease encephalomyelitis, sometimes called "blind staggers," "brain fever," or "sleeping sickness" is most likely to appear, says Dr. R. A. Craig, head of Purdue's veterinary department. The disease affects the nervous system of horses and mules. In recent years, especially during the summer months, it has caused serious losses in the West, Middle West, and several states along the Atlantic coast, but may strike anywhere.

It is an infectious disease and the symptoms generally occur in three phases. The first stage may escape notice as it usually is only a mild indisposition commonly accompanied with a rise in temperature. The second stage is characterized by distinct nervous symptoms which may or may not be accompanied with fever. In the last stage the horse may go down and be unable to rise, sometimes thrashing violently with the legs and head. Death usually follows when these symptoms develop.

Encephalomyelitis may be easily confused with other diseases, Doctor Craig points out. The symptoms are similar to other ailments of the central nervous system, and a veterinarian should be called at the first indication of sickness. Although the chances for cure are greatest in the early stages of the disease, there is no remedy effective in all cases.

About Raising Turkeys

Turkey-raising is not difficult when properly handled, but there are some principles which should be observed. Turkeys should be allowed to remain in the open as much as possible, and never hatched by hens, says the Montreal Herald. Breeding stock and young stock should be kept away from barnyard hens, so as to keep them free from disease. If there is any disease in breeding turkeys hatch the eggs in an incubator, and rear the poult in brooders.

Feeding the Pigs

If you feed your pigs too many peanuts or soybeans, you haul soft pork to market and are penalized two cents a pound, says the Country Home Magazine. Packers know there is not much bacon left after soft pork is fried. But a peanut-fed hog can be finished off with corn. The soybean-fed hog can be saved from disgrace if the oil is first extracted from the beans. The beans should be fed as meal along with a regular balanced ration. Then there is less loss between the packing house and the dinner table, and less fat in the skillet.

Storing Eggs

Chopping dollars off the yearly food bill isn't so very hard, if you know the short-cuts, says the New York State College of Home Economics. For instance, a large part of the money spent yearly for eggs can be saved, if quantities of eggs are bought when prices are lower, and stored in waterglass for later use. Absolutely fresh eggs stored this way keep their flavor, whip well, and can be satisfactorily cooked in almost every way.

Stage Second Amateur Boxing Card at Wieck's Pavilion Near Wauconda

The second of the amateur boxing shows at Wieck's pavilion on Route 176 two miles west of Wauconda will take place Friday night when seven bouts will be run off according to the card arranged by Matchmaker Jimmie Raymond. "Jabber" Young, popular referee when the sport flourished here in the old Antioch Palace days, will be the third man in the ring. There will be six bouts of three rounds each and the windup event will be five rounds.

High School Students to Visit Chicago Museums

A group of 45 students in the ancient history classes at Antioch High school will make a trip Saturday to Chicago, where they will visit the Oriental Institute, Rosenwald museum and Field museum. They will be accompanied by Miss Cornelia Roberts and Miss Dale Smith.

Surprised Coal Miners

Coal miners beneath an Illinois graveyard abruptly left their tasks on one occasion, according to an account related to research workers of the Federal Writers' Project, W. P. A., who have compiled a guide book to the State. The mine extended under a cemetery south of the Wabash Railroad bridge, in Danville, Vermilion county, much to the dislike of the citizens. One day a coffin fell through the roof into the mine tunnel, whereupon many of the miners, badly frightened, promptly quit.

WILMOT

Mr. and Mrs. Harry McDougall are in Chicago this week where the former is under the care of Dr. Blakeman.

Rev. S. Jedele had as his house guests Tuesday and Wednesday the Rev. O. Heike, Morton Grove, Rev. W. Diehl, Elkhorn, and Rev. H. Diehl, Lake Geneva. They all attended a two day Lutheran conference held in Kenosha in the parish under Rev. C. Buenger.

Rev. John Finan was in Milwaukee for the day, Tuesday, and in Kenosha, Wednesday afternoon.

Friday, Mesdames S. Jedele, M. M. Schnurr, R. Rudolph, and the Misses Erminie Carey, Margaret Cartwright and J. Rhodes went to the Mari-Anne Shop at Antioch where they practiced modeling for the Mother's Club card party and fashion show scheduled for Tuesday night, October 18, at the Wilmot gymnasium.

Miss Margaret Cartwright and Miss J. Rhodes, teachers in the Wilmot graded school, attended a County teachers meeting and banquet at Union Grove on Wednesday afternoon. Grace Carey was in McHenry on Tuesday with Mrs. W. Dobyns.

The U. F. H. School P. T. A. has decided to sponsor the uniforming of the high school band.

Wm. Harm, Mrs. Flavia Ehler and family and Mrs. H. Frank and family were guests Sunday afternoon of Mr. and Mrs. Henry Harms at Lake Geneva.

The women of the Lutheran church held their annual fall chicken dinner at the church hall Wednesday afternoon.

Mr. and Mrs. Don Herriek were out from Chicago over the week-end with Mrs. Herriek.

Anna Marie Carey, Twin Lakes, Eugene Dobyns, McHenry, Erminie Carey, Grace Carey and Dick Carey were at Notre Dame Saturday for the Notre Dame-Ilinois game.

Guests of Mr. and Mrs. T. C. Loftus during the week-end were: Mr. and Mrs. Ray Ferry, Zion; N. Pitson and Mrs. M. Eilers of Pistakee Bay.

Mr. and Mrs. Herbert Sarbacher and Bobby attended a dinner for sixteen relatives and friends at the home of Mr. and Mrs. Warren Sarbacher at Silver Lake on Sunday.

Mrs. Charles Schultz was in Kenosha the last of the week at St. Catherine's hospital during the illness and death of her brother-in-law, Harold Flueker, of Salem.

The Wilmot Mothers Club is sponsoring a card party and fashion show at the gymnasium Tuesday evening. Mr. and Mrs. C. M. Anderson, Milwaukee, were guests of Mr. and Mrs. M. M. Schnurr three days the last of the week.

Mr. and Mrs. Ray Bufton were in Kenosha for the day Sunday with the former's mother, Mrs. Margaret Bufton.

Mr. and Mrs. R. C. Shottliff were honor guests at a reception given by their children, Ruth and Harley Shottliff, Saturday from one o'clock on, in observance of their twenty-fifth wedding anniversary. Mrs. Shottliff, formerly Nellie Carrie Kennedy of Trevor and R. C. Shottliff were married in Chicago on October 15, 1913. They have always resided in Wilmot where Mr. Shottliff has been postmaster for the past twenty-five years, receiving the appointment October 13, 1913.

Mr. and Mrs. Shottliff are parents of two other children, Anna May and Roland, still in grammar school.

Fifty guests attended Saturday and were received by Mr. and Mrs. Shottliff in their flower decorated home. Chrysanthemums, roses and dahlias were used in profusion. Lovely gifts were presented by their friends, including a basket of silver dollars.

Sunday, Mrs. E. P. Shottliff and daughters, Hazel, Mrs. Florence Rockwell and granddaughter, Dawn Shottliff, of Rockton, Ill., were entertained at the Shottliff home.

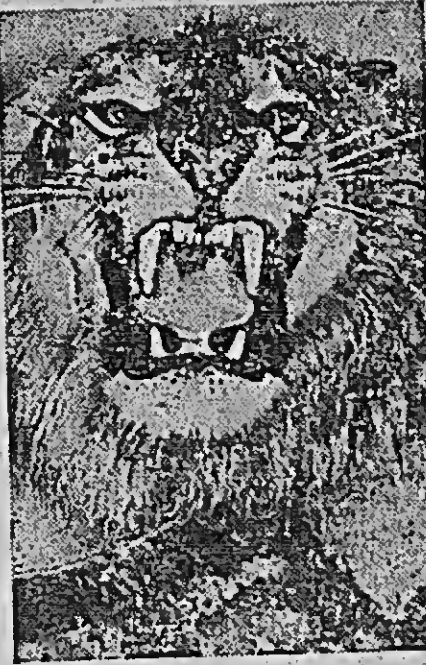

Union Free High School Members of the Union Free High school band attended the United States Marine band concert in Kenosha. They were accompanied by their instructor in music, Russell Ende. Reports cards will be issued this week. The faculty will be glad to answer any inquiries from parents or guardians.

The next P. T. A. meeting will be held at the school on November 14, Monday evening. It will be a joint Adult Education and Armistice Day program. A worth while program for the year has been worked out and at the next meeting it will be decided whether a class in Adult Education work will be started for the winter months. If enough interest can be aroused classes will be organized.

At the last meeting parents attended classes for ten minutes under the faculty members their children are receiving instruction from. Each instructor outlined the work in that course and told what was to be accomplished for the year in that particular subject.

The Homecoming game will be played at the local football field against Norris Farms on Friday afternoon, October 21, at 3:15. The local team was defeated by Rochester at Rochester last Friday by a score of

THIS IS A TIGLON

This startling animal is a hybrid lion-tiger, or tigon, presented to the Central Park zoo in New York by an anonymous donor. Its father was a Siberian tiger and its mother an African lioness. During the winter when the pelt is in its prime the characteristics of the tiger appear.

13-7. Rochester has been in the lead in the S. W. conference and retained its lead by scoring in the last play to win over a 7-6 lead by Wilmot.

Hegeman-Powers Mrs. John Kelly, of Russell, Illinois, announces the marriage of her niece, Miss Margaret Jean Powers, to Roland L. Hegeman, son of Louis Hegeman, of Wilmot, Wisconsin, at Kenosha, Saturday, October 15. The

attendants were Mr. and Mrs. Ernest Oberhofer, of Wilmot.

The bride attended the Northern Illinois State Teachers College, taught for several years in Lake county rural schools, and for the past six years was employed as Assistant Superintendent of Lake county schools. Mr. Hegeman, a graduate of the University of Wisconsin, is the proprietor of a drug store at Wilmot.

The couple left immediately after the ceremony for a few days in northern Wisconsin, after which they will be at home to friends in Wilmot.

Name of Welsh Mountain Moel Hebog ("the bare hill of the hawks") is the name of a Welsh mountain.

Ancient English Marriage Law
Several centuries ago, the ecclesiastical courts of England prohibited marriage not only between distant relatives by blood but also between relatives by affinity. Collier's Weekly reports. Thus, sisters-in-law and brothers-in-law were as incapable of contracting marriage as natural brothers and sisters, as were the children of husbands and wives by former marriages.

Larger Than Niagara Falls
The Iguazu waterfalls, near the point where Argentina, Paraguay and Brazil meet, are two and a half times wider than Niagara falls and twice as high.

Lesson for October 23

OUR DAY OF REST

LESSON TEXT—Exodus 20:8-11; Luke 13:10-17.
GOLDEN TEXT—Remember the Sabbath day, to keep it holy.—Exodus 20:8.

Rest—how full of meaning that little word is when we recall that it means quiet for the struggling one, calm for the troubled, repose for the weary, tranquillity for the disturbed, cessation of labor for the worn-out one. God in His infinite wisdom saw that without rest man would soon destroy himself, and He made provision for one day in seven when labor should cease and man should be free for that re-creation of soul and body which should fit him for the labor of the week. Men in their greed have coveted the time God gave for rest and have used it for themselves, and the ragged nerves and broken bodies, and the nothing of the impoverished spirits of our day, testify that it can be done only at our peril.

Our study centers around Scripture passages which have to do with the Jewish Sabbath, but since it was essentially a day of rest, and afforded an opportunity for the worship of God, the principles surrounding it are applicable to our day of rest—the first day of the week, the Lord's Day.

I. Why We Keep a Day of Rest (Exod. 20:8-11).

1. God commanded that there should be a day of rest—one out of seven—and that should be sufficient to cause His people to "remember" the day "to keep it holy." It is cause for grave concern that Sunday has become a day of swimming, hiking, auto-driving, golfing, and one might go on with the list almost indefinitely. Many men or women who have had built into their own characters the stalwart virtues nurtured by family attendance at the house of God, have not only forgotten their own need and responsibility but are destroying every vestige of interest in divine worship in the hearts of their children. It is serious business to go astray oneself, but infinitely more serious to mislead one's own children.

Notice that the day of rest was to be not only for the family but also for servants and for visitors. The employer who operates his factory or office on Sunday violates this commandment. Note also that the man who is to rest on the seventh day is supposed to work on the six days. Some folk neglect to do both.

2. God's command is strengthened by the divine example (v. 11). We are not able to do all things that God does, but here we are privileged to follow His example.

II. How We Keep the Day of Rest (Luke 13:10-17).

The incident recorded by Luke does not give us an exhaustive list of things to be done with our day of rest, but it is interesting to note that our Lord was

1. In the house of God (v. 10). Jesus was in the synagogue. The distinguished Apostle Paul never became too great or too good to attend divine worship. We all need to go to church (if it is at all possible for us to do so) to fellowship with others in the things of Christ. Let us have a revival of church attendance, and not only on Sunday mornings, but also on Sunday night and for midweek prayer meeting.

2. Alert to the needs of others (vv. 11, 12). It is not indicated that the woman asked to be healed. Jesus saw her need and met it. We can not do what he did, but there are needs that we can meet if we are but alert to see them and willing to help.

3. Active in service (v. 13). In spite of the criticism which He knew would come from the lazy and helpless standers-by, Jesus did the work of God. We may glorify God by being ready—yes, anxious—to serve in the church. Our daily work is set aside on the Lord's Day not that we should be indolent, but that we should be free to do the Lord's work.

4. Contending for the faith (vv. 14-17). Jesus met the unjust criticism (which, by the way, was levied at the poor woman because the critic feared Jesus) by a masterly appeal to the law of the Pharisees (vv. 15, 16). But He did more than that, for He ably defended the rights of humanity as superior to the formalities of man-made law. The law is always supreme until the Lawgiver comes, and no law can hinder Him by its letter, as He fulfills its spirit.

We may not speak as Jesus did, that is to declare what the law is, but we may in His name, and by His grace and power declare the full counsel of God, defend those who are in the wrong, and stand against the enemies of the name of Christ (compare I John 4, 10). For such service we need His guidance, His wisdom, His power, and His grace.

The Wise Man
The wise man is like the drug-gist's chest, alert but full of virtues; and the blockhead resembles the warrior's drum, noisy but empty.—Sadi the Persian.

LAKE VILLA

Lake Villa Community Church
Sunday School—10 A. M.
Worship Service—11 A. M.

The Lake Villa Community church invites you to attend its services on Sunday. If you have children we would be glad to have them in Sunday School. Worship service begins promptly at 11 o'clock each Sunday morning and you are welcome.

The theme of my sermon for next Sunday will be based around the problem of "Good and Evil, and Our Need of Christ." This is a question that every person must face, and I would like to have you present next Sunday in order that we may consider it together. You need Christ, and so do I. You cannot get along without Christ, and neither can I. So let us gather on Sunday morning to pay our respects to Him. Rev. I. B. Allen.

Obituary

One of our oldest citizens, James H. Leonard, passed away quite suddenly at his home here last Tuesday. Although he had not been well for some time, no one felt that the end could be so near. He was born at Cleveland, Ohio, on Jan. 2, 1861, and came to St. Kilian, Wis., with his parents when he was quite small. He lived on a farm there and came to Lake Villa nearly fifty years ago and this has been his home since then. On Dec. 27, 1888, he was married to Katherine McNulty and they were the parents of ten children, one of whom, a daughter, died in infancy. They are John M. Leonard of Lake Forest, Mrs. J. A. Eberler, Mrs. J. R. Miller, Mrs. A. B. Anderson, James Leonard, all of Chicago; Anthony Leonard of Round Lake, Edward T. Leonard, Mrs. F. H. Hodgkins, and Mrs. C. W. Reinbach of Lake Villa. He had nine grandchildren and besides his wife, two brothers who live in Milwaukee, survive him. Mr. Leonard was a quiet, unassuming, home loving man, but who always took a keen interest in the affairs of his community, and a good neighbor. The funeral was held from his late home on Friday afternoon and was largely attended. Rev. Allen conducted the service and Mrs. Cribb sang. Burial was in the family lot in Angola cemetery. The community extends sympathy to this bereaved family.

Mr. and Mrs. A. M. McGlashan visited friends in Maywood and Chicago over Saturday and Sunday.

Mrs. J. Frank Pickering of Chicago and Mrs. Edmond Ames of Libertyville spent a few days last week with their sister, Mrs. G. P. Manzer. Billy Hucker who spent two or three weeks in the hospital, returned home last Tuesday and is recovering nicely. He hopes soon to be able to ride the pony which his parents have ready for him, but will not be able to be in school for some time.

Mr. and Mrs. Chas. Peterson, J. O. Hucker, Jr., and Charles Malsen, returned from their South Dakota hunting trip last week, but the weather had been too mild for a very successful hunting trip.

Mrs. Charles McCloskey returned home from Chicago last week after spending three weeks with relatives there.

Mrs. Anna Pierce of Chicago is visiting her nieces, Mrs. Frank Hamlin and Mrs. Harriet Ballenger.

The Royal Neighbor Officers' club held its monthly card party at the

home of Mrs. Walter Paske last Wednesday and forty-five women attended. They played bridge, 500 and bunco. Miss Evelyn Fish assisted Mrs. Paske. Mr. and Mrs. Fred Hamlin visited Mrs. Anna Belck at Marengo early last week.

Miss Laura Reinbach of Chicago came out to attend Mr. Leonard's funeral last Friday and remained until Sunday night with her brother and his family here.

The fire department was called out Sunday afternoon for a grass fire near the Stackler property on Cedar lake, but no damage was done.

Mr. and Mrs. Roy Nader of North Carolina visited the former's parents, the Frank Naders, last week and on Monday they and their parents drove to Chippewa Falls, Wis., to visit the Alquist family. Roy has been in the aviation department of the government and was injured so that he has spent several months in the hospital, but is improving now.

Frank Slazes is excavating for a basement for a new home which he and his family hope to occupy this winter. The lot adjoins the J. Koelstra property on Grand avenue.

The P. T. A. had a very good attendance at its October meeting Monday evening. After the routine business, Mrs. Petty of Antioch gave a very interesting review of the book, "The Yearling," and the hospitality committee served pie and coffee.

Mr. and Mrs. Frank Richards started last Thursday morning on a trip to Florida where they will visit friends, and Mrs. Richards' mother and uncle, Mrs. Culver and Mr. Gilbert, are caring for things in their absence.

Howard Sorenson is in the hospital recovering from an operation for appendicitis last Saturday, and is recovering nicely.

WIS. GAME BIRD PROGRAM DRAWS ATTENTION HERE

Lakes Region Conservation Exponents Watch Neighbor State's Work

Being watched with close attention by Antioch and other lakes region residents who are especially interested at this time in promoting conservation programs, is the work which is being carried on along similar lines in Wisconsin.

The largest game-bird propagation program in the history of Wisconsin, and possibly the largest program of its kind the world has ever known, is now nearing completion.

192,668 Game Birds

Carried on by the game division of the Wisconsin conservation department, with activities centered at the state experimental game and fur farm at Poyntette—largest single game production farm in the world, this program has produced during the year 192,668 game birds including several varieties of pheasants, Chukar partridge, valley quail and wild turkeys.

In addition, 10,073 breeding birds, of which 9,273 were pheasants, were liberated in Wisconsin in June and July.

High Spots of the record breaking

program, nearing completion this month, include:

Distribution of 79,577 day-old pheasant chicks to cooperating sportsmen's groups in 55 Wisconsin counties.

Distribution of 35,000 pheasants from four to five weeks old to state organizations that have co-operated in the rearing of the day-old chicks.

Distribution of 23,592 full-winged young birds as county allotments to 63 Wisconsin counties.

Distribution of 42,146 pheasant eggs to state 4-H club groups, Future Farmers' organizations, Boy Scouts, and individual farmers—all these eggs were hatched under setting hens and released.

Production of 17,000 pheasants—12,000 hens and 5,000 cocks which are being retained at the state game farm as breeding stock for the 1939 program.

Enhances "Vacation Value" Conservation Director H. W. MacKenzie has summarized the bird-production program as an important part of the broad conservation program being carried on in Wisconsin.

The propagation of game birds is related to those other phases of our conservation activity which aim at the maximum recreational utilization of Wisconsin's immense outdoor resources. The hatching and planting of fish to increase the fishy population of lakes and streams; the preservation of wildwood areas as state forests; the establishment of state parks at points of notable scenic and historic interest; the hatching and stocking of game birds—all serve to enhance the outdoor pleasures of an ever-increasing army of vacationists, tourists, anglers and gunners.

Tentative plans for 1939 include the

use at the game farm of 1,000 additional breeding pheasant hens and increased incubation facilities for 36,000 eggs. This will bring the total capacity of the farm to 145,000 game-bird eggs of various species.

The Antioch Rod and Gun club recently undertook the sponsorship of a program of conservation for wild fowl, and has been following with interest various other conservation projects throughout the middle west.

McHenry Co. May Claim Southern Shore of Lake

Title to about 60 acres of land on the south shore of Lake Elizabeth, the southernmost of the Twin Lakes, may be acquired by McHenry county through a land grant issued by Illinois authorities in 1867, according to investigations now being carried on. Part of the land is under water and part is a marshy tract.

The county is considering devoting the land to park purposes in the event its title to the area is proved.

The greater part of the Twin Lakes, Lake Mary and Lake Elizabeth, lies in Kenosha county, but the southern part of Lake Elizabeth extends into McHenry county.

Pioneer McHenry Resident Dies After Long Illness

Funeral services for Henry Meyers, McHenry, were held in St. Mary's church there Monday morning, Oct. 10, with interment in St. Mary's cemetery. Mr. Meyers died Oct. 7, after an extended illness.

He was the father of Mrs. Mamie Herber, Grayslake; Joseph, Arthur, Gottlieb and Edwin Meyers, McHenry; and Mrs. Elizabeth Rusch, Somerset, Ky.

Mr. Meyers was born on a farm near Big Hollow, Nov. 25, 1856, and spent most of his life in the vicinity of McHenry. His wife preceded him in death in 1930.

Farm and Home Adviser Conference to Be Held

Mrs. Helen Volk, Grayslake, Lake county home adviser, and H. C. Gilkerson, farm adviser, will be among the state's 97 farm advisers and 54 home advisers who will assemble for a conference at the University of Illinois Oct. 19-22.

The central theme of the four-day "school" which is to be conducted for them there under the charge of the university will be based on the question, "What is a Desirable National Agricultural Program?" Economics, philosophy, sociology, political science and history will figure in the forum discussions.

Plans for the program are being made by J. G. Spiller, assistant director of the extension service and state leader of farm advisers, and Mrs. Kathryn VanAken Burns, state leader of home advisers, in cooperation with the division of program planning, Agricultural Adjustment Administration, and the extension service of the U. S. Department of Agriculture.

Woman's Club to Enjoy "Art Tour" to Whitewater

An "art tour" to the color-etching studio of Leon R. Pescherer, Whitewater, Wis., is the unusual treat in store for members of the Antioch Woman's club next Monday.

Thirty members are planning to go. They will leave by motor at about 10:30 o'clock in the morning, arriving in Whitewater in time for a luncheon at the "Green Shutters" tea room.

Afterward they will adjourn to Mr. Pescherer's studio, where he will give a talk on "One-Plate Color Etching." The club met at the home of Mrs. William E. Cooper at Channel lake Monday afternoon. A talk on "Books" was given by Ruth Conner, Chicago.

High School Forum Plans Social Meeting Tonight

Parents of freshman students will be special guests at a meeting of the Antioch High School forum to be held this evening at 8 o'clock in the high school.

The meeting, the first the organization has held this year, it to be in the form of a "social evening."

Music under the charge of Hans von Holwede, the introduction of members of the teaching staff and the serving of refreshments will compose the program. It will be open to the community in general, the forum officers announce, and all who are interested will be welcome to attend.

Plan \$80,000 Sewage Plant at Lake Geneva

The pollution of the Fox river basin by impure sewage flowing into the river from Lake Geneva has been a matter of grave concern for health authorities, it was stated by Lake Geneva officials in bringing before the city council a bond issue for construction of an \$80,000 sewage plant there. The bond issue will be voted upon at a special election to be held Oct. 24.

"The World's Largest Township Fair" is the title of the annual Linn Town Harvest festival, staged at Zenda. This year's fair, held on Oct. 8, drew large exhibits of livestock and home-maker's work.

Reindeer Moss in Arctic Lands Reindeer moss is a species of lichen found in great abundance in Arctic lands. Erect, with many branches, it grows to a few inches in height and covers immense areas where it is used as a food for reindeer and other animals.

Gages Lake Collision Leads to Damage Suit

A three-car collision, July 31, on Route 63 near Gages Lake is the basis for a suit for \$16,000, which R. G. Sands, Mrs. Mary E. Sands and their daughter, Mrs. Rachel Sands Hoge-voll, all of Waukegan, have started against Frank Furlan of North Chicago and Napoleon Simoneau, Great Lakes.
